

Weekly Report

12/21/2015 – 12/27/2015

Li Zongzhuang

Summary

This week I have helped Lu Juhua with the netease. And I also got a work from Xia Jing about weibo, which need me to learn about coding. Meanwhile, I was asked to learn java for Lin Ming' s task.

To Do List

What I need to do next week is totally clear, so I' ll do my best to make them.
